

LeanGard™

ONE BLEND. TRIPLE ACTION.

CLINICALLY STUDIED: Reap the benefits of patented natural extracts ForsLean® and GarCitrin® in a naturally bioavailable composition with BioPerine®. Phytonutrients forskolin, hydroxycitric acid, and garcinol work together to support lean body mass, satiety, energy level, and a healthy body weight and composition. LeanGard was evaluated in a randomized, double blind, placebo controlled study with 50 obese subjects. When compared to baseline values, a 500 mg daily intake of LeanGard® for 12 weeks effected a statistically significant mean decrease in BMI of 7.45%, and waist:hip ratio of 6.47%; body fat reduction of 8.15%, and an increase in lean body mass of 4.36%, with no untoward side effects.
